

Christmas is a time of plenty including plenty of recycling and rubbish!

From plastic bottles, pots, tubs and trays to small electrical items and textiles, Cheshire West and Chester try hard to recycle almost all our household items, which is a great benefit to our environment, so why not help Cheshire West and Chester take climate action this Christmas by adopting a reduce, reuse and recycle attitude.

You can make your festivities eco-friendlier by reusing or repurposing your old Christmas items whilst saving yourself some money.

- Christmas cards can be given a new life as a gift tag next year or reuse them to make homemade cards or place settings.
- Biscuit tins and sweet tubs are great for storing small bits and bobs all year round.
- Glass bottles make great vases or candle holders, or why not reuse them for special homemade beverages?
- Make the most of your Christmas leftovers by finding the perfect recipe, visit www.lovefoodhatewaste.com for inspiration.

EXTRA RECYCLING?

Put out your extra Christmas recycling next to your recycling boxes in clearly labelled containers. Please do not mix grey box and green box materials together, keep them separate.

Your waste and recycling collection days may be changing over the Christmas period, please see below for your day change. Remember that your Household Waste Recycling Centres are open over Christmas so you can recycle even more. See below for details.

Visit cheshirewestandchester.gov.uk to find out what can be recycled.

REAL CHRISTMAS TREES

Did you know that you can even recycle your real Christmas tree? This year we are giving you 3 OPTIONS to put your real tree to good use.

1. YOUR GREEN GARDEN BIN

All you need to do is cut it into small pieces and put it inside your garden waste bin. We'll then turn it into a brilliant soil improver.

2. FEED YOUR LOCAL PARK
