

## HS2 Phase 2b: Crewe - Manchester and West Midlands - Leeds

### Public information events

In July 2017, the Secretary of State for Transport confirmed the preferred route for HS2 from Crewe to Manchester and the West Midlands to Leeds (known as Phase 2b).

This leaflet provides details of a series of information events we are holding in June and July 2018, at which we will be sharing further details of the evolving design for the railway.

This will include our proposals for the location of construction sites, infrastructure associated with the railway and the realignment of major roads and public rights of way.

The new information we are sharing is work

in progress and may change as we continue to refine the design, complete environmental assessments and take into consideration further feedback.

We hope you will take the opportunity to view and discuss our emerging plans with members of the team at one of the events. If you are unable to attend any of the events the new information on the evolving design will be available at [www.hs2.org.uk](http://www.hs2.org.uk) from Monday 4 June.

The events will run from Monday 4 June 2018 to Saturday 14 July 2018.
