Questions to the PCC-

1. Parish Council- Please can we have an update on drug dealing activity in the parish?
 2. Parish Council- Please can we have an update on traffic speeding in the parish?
 3. Cllr T Smith – Police visibility, I cannot remember when I last saw a PC or PCSO walking through the village, or even Northwich. What is PCC's strategy is on this?
 4. Cllr P Walker, please can you tell us about the grants you have available and how to apply?
 5. Public question – Under PCC John Dwyer, the police deployed a traffic monitoring device to assess average traffic speed along Manchester Road, the results provided were only top level with no detail about when traffic speeding was at its worst. Why won't the Police release detailed traffic assessment data when it could be used to better target speeders and enable the Police to carry out traffic monitoring at times when the Police know speeding is at its worst?
- 4) **Public Forum** – Should time permit the Chairman of the council will allow public speaking time up to 15 minutes.
