Lostock Gralam Parish Council RISK ASSESSMENT

Table 1 Area where there may be scope to use insurance to help manage risk		
Risk Identification Insurance cover for risk is the most common approach to certain types of inherent risks:	Council's response Comprehensive insurance is in place with Zurich.	
The protection of physical assets owned by the council – buildings, furniture, equipment, etc. (loss or damage)	These items are covered.	
The risk of damage to third party property or individuals as a consequence of the council providing services or amenities to the public (public liability)	Public liability insurance cover of £12,000,000	
The risk of consequential loss of income or the need to provide essential services following critical damage, loss or non-performance by a third party (fidelity guarantee)	Fidelity cover for £250,000 Reviewed at appropriate times in the year.	
Legal liability as a consequence of asset ownership (public liability)	As above	
Internal controls	Council's response	
A council's internal controls may include: An up-to-date register of assets and investments	Yes, reviewed annually.	
Regular maintenance arrangements for physical assets	Quarterly Operation Play Inspections by a qualified inspector and an annual Play Inspection by ROSPA.	
Annual review of risk and adequacy of cover	Use insurance recommended by organisations such as NALC/ChALC	
Ensuring the robustness of insurance providers		
Internal audit assurance	Council's response	
Internal audit testing may include:	This is covered by general management	
Review of internal controls in place and their documentation	arrangements with a financial calendar with reports to the Council.	
Review of management arrangements regarding insurance cover		
Testing of specific internal controls and reporting findings to management	Compliance with Standing Orders	
Table 2		

Areas where there may be scope to work with others to help manage risk		
Risk Identification	Council's response	
The limited nature of internal resources in most local councils means that councils wishing to provide services often buy them in from specialist external bodies, e.g.		
Maintenance for vulnerable buildings, amenities or equipment	None	
The provision of services being carried out under agency/partnership agreements with principal authorities	None	
Banking arrangements, including borrowing or lending	Present banking arrangements with Lloyds.	
Ad hoc provision of amenities/facilities for events to local community groups Markets management Vehicle or equipment lease or hire Trading units (leisure centres, playing fields, burial grounds, etc.) Professional services (planning, architects, accountancy, design etc.)	N/A	
Internal controls	Council's response	
A council's internal controls may include:	In place, reviewed annually or if a change of circumstances occurs.	
Standing orders and financial regulations dealing with the award of contracts for services or the purchase of capital equipment.	LGPC activities are not on such a regular basis to require such controls. Individual projects have controls in place.	
Regular reporting on performance by suppliers, providers and contractors	Only reputable supplier quotes will be considered with three quotes being preferred. Supplier payments will only made	
Annual review of contracts, and supplier (procurement) fraud.	to the company (trading) name, for online payments the bank account number and sort code will be checked before payment is made. The Clerk will check insurance, gain reviews from other customers and where possible visit passed work completed, before onboarding a supplier. The supplier financial position may be considered for contracts over £5,000.	
	Members are also required to declare any interests. Quotes and tenders are not shared before	
Clear statements of management responsibility for each service.	the closing date of the tender process.	

Regular scrutiny of performance against targets Adoption of and adherence to codes of practice for procurement and investment	Invoices are subject to scrutiny by both the RFO and cheque signatories who are councillors.
Arrangements to detect and deter fraud and/or corruption	Internal and External Audits carried out
Regular bank reconciliations, independently reviewed	Regular budget to actual and bank reconciliation checks are in place.
Internal audit assurance Internal audit testing may include:	Council's response
Review of internal controls in place and their documentation.	A comprehensive internal audit is provided by JDH Ltd.
Review of minutes to ensure legal powers are available, and the basis of the powers recorded and correctly applied	
Review and testing of arrangements to prevent and detect fraud and corruption	
Review of adequacy of insurance cover provided by suppliers	This is done on an individual basis because of small number of projects undertaken.
Testing of specific internal controls and reporting findings to management	
Table 3	
Areas where there may be a need to self-manag	
Risk identification There are a number of activities that create business risks but do not fall easily into either of the above categories for a number of reasons, principally because they are either difficult to quantify or considered inefficient to have provided externally or just uninsurable.	Council's response Council has a management plan in place
Keeping proper financial records in accordance with statutory requirements	Done
Ensuring all business activities are within legal powers applicable to local councils	Done and checked on internal audit
Complying with restrictions on borrowing	No current borrowing
Ensuring that all requirements are met under employment law and Inland Revenue regulations	Professional advice taken where necessary
Ensuring all requirements are met under Customs and Excise regulations (especially VAT)	Check done with Accountant and internal audit

within sound budgeting arrangements		
	audit	
Monitoring of performance against agreed standards under partnership agreements	N/A	
Ensuring the proper use of funds granted to local community bodies under specific powers or under section 137	Internal audit process checks this item.	
Proper, timely and accurate reporting of council business in the minutes	Done	
Responding to electors wishing to exercise their rights of inspection	Done	
Meeting the laid down timetables when responding to consultation invitation	Clerk responsible for compliance and council calendar.	
Meeting the requirements for Quality parish status or other accreditation Proper document control		
Register of members' interests and gifts and hospitality in place, complete, accurate and up to date	In place and revised annually	
T 11 A		
Table 3 Areas where there may be a need to self-manage risk		
Internal controls A council's internal controls may include:	Council's response These items are covered by regular calendar	
Regular scrutiny of financial records and proper arrangements for the approval of expenditure Recording in the minutes the precise powers under which expenditure is being approved Regular returns to the Inland Revenue; contracts of employment for all staff, annually reviewed by the council, systems of updating records for any changes in relevant legislation Regular returns of VAT; training the responsible officer in matters of VAT and other taxation issues as necessary Regular budget monitoring statements	of meetings, financial calendar, management system, attendance on courses so members of staff and councillors keep up to date.	
arrangements for the approval of expenditure Recording in the minutes the precise powers under which expenditure is being approved Regular returns to the Inland Revenue; contracts of employment for all staff, annually reviewed by the council, systems of updating records for any changes in relevant legislation Regular returns of VAT; training the responsible officer in matters of VAT and other taxation issues as necessary Regular budget monitoring statements Developing systems of performance measurement Procedures for dealing with and monitoring grants or loans made or received Minutes properly numbered and paginated with	of meetings, financial calendar, management system, attendance on courses so members
